## About Us

Shakthi Doors are covered with imported membrane foil which is filled with solid seasoned hardwood composed dattens using Phenol Formaldehyde Synthetic Resin. Along with strength, this also ensures that our doors don't warp and are also water proof.

- » For shades please refer our sample book.
- » Other thickness color sizes available on request.
- » Design and color are subject to availability.
- » Folder showing design & color pattern may from actual product

Height : 78", 81"
